

CAT CARRIER POLICY

CATS MUST BE IN A CARRIER OR OTHER SECURE CONTAINER
IN ORDER TO BE REMOVED FROM YOUR VEHICLE

DO NOT REMOVE YOUR CAT FROM YOUR VEHICLE UNTIL ONE OF OUR
STAFF SAFETY CHECKS YOUR CARRIER OR CONTAINER

EACH CAT MUST BE IN ITS OWN CARRIER TO TRAVEL TO/FROM
SURGERY - we have rental carriers for \$5 each if you do not have a
carrier or your carrier is dirty, damaged, too small, too large, has a
plastic door or is constructed of fabric, cardboard or other porous
material

***IF IT IS HOT AND YOUR VEHICLE DOES NOT HAVE AIR CONDITIONING,
PLEASE LET US KNOW WHEN YOU ARRIVE – WE WILL SAFETY CHECK
YOUR CARRIER(S) RIGHT AWAY AND MOVE YOUR CAT(S) TO THE SHADE***

***IF YOU NEED TO OPEN YOUR CAT'S CARRIER(S), YOU MUST DO SO
INSIDE YOUR VEHICLE WITH YOUR DOORS & WINDOWS CLOSED or
INSIDE OUR BUILDING WITH OUR DOORS CLOSED.***

**IF YOU SEE CAT CARRIERS THAT ARE ALREADY OUT OF VEHICLES, THIS IS
BECAUSE THEY HAVE BEEN SAFETY CHECKED – THIS DOES NOT MEAN
THAT YOU SHOULD REMOVE YOUR CAT(S) FROM YOUR VEHICLE.**

**PLEASE SEE SIGNATURE FORM AND SIGN APPROPRIATE LINE
PERTAINING TO OUR "CAT CARRIER POLICY"**
