INITIAL EACH LINE ITEM and BRING THIS CHECKLIST WITH YOU AT TIME OF DROP OFF

<p>Per Step 1, I carefully read, understand and followed the "Instructions for Preparing my Cat & Carrier for Transport" and reviewed the "Post Op Instructions".</p>
<p>Each of my cats weighs at least 2 pounds (3+ is preferable)</p>
<p>My female cats, if any, are NOT DETECTABLY PREGNANT</p>
<p>Each of my cats is visibly healthy and has no signs of vomiting, diahrea or URI (upper respiratory infection).</p>
<p>I understand that it is in my cat's best interest to be fully vaccinated. If not, I understand they are at an increased risk of contracting URI or other airborne illnesses.</p>
<p>I understand that each of my cats must be in its own carrier to be transported to surgery.</p>
<p>I have thoroughly cleaned my medium-sized, plastic carrier(s) inside and out for the safety of all volunteers and cats.</p>
<p>If my carrier is too small, too large, dirty, in disrepair, has a plastic door, or is constructed of fabric/cardboard, I will rent one from The Cat's Meow for \$5; my cat will be swapped from my carrier/container to CMSNAP's carrier for spay/neuter and back into mine to travel home with me after surgery.</p>
<p>I have provided two (2) bath towels for each of my cats, placing one (1) inside each cat's carrier and one (1) on each cat's carrier or in a bag.</p>
<p>If I don't bring two (2) towels per cat, I will purchase the necessary number of towels from The Cat's Meow for \$2 each.</p>
<p>I LET MY CAT(S) EAT AND DRINK NORMALLY TODAY. I am bringing a small, unopened can of pate style food with me to the Roundup.</p>
<p>Per Step 2, I HAVE ALL OF THE REQUIRED FORMS WITH ME.</p>
<p>Per Step 3, I paid my \$15 per cat Admin/Reservation Fee online with Brown Paper Tickets to lock in my appointment(s). I understand that this fee helps The Cat's Meow cover basic costs of being in business and is COMPLETELY SEPARATE from surgery and surgery-related items located on the "Service Request" form from Step 2.</p>
<p>Fees for surgeries, vaccines, etc are COMPLETELY SEPARATE from the \$15 per cat Admin/Reservation Fee that I paid online/over the phone and are paid for at time of drop off with cash. The Cat's Meow receives these fees and gives them to Feral Cat Project on my behalf.</p> <p style="text-align: center;"> <i>(Surgeries: feral/free-roaming - N/C, tame males - \$15, tame females - \$25)</i> <i>(Extras: rabies vacc - \$10, distemper vacc - \$10, flea Rx - \$5, tapeworm Rx - \$5, blood draw - \$5, Feral Cat Project microchip inserted - \$15, insert my microchip - \$5)</i> </p>
<p>I know to leave my cat in my vehicle until a Cat's Meow representative safety checks its carrier.</p>
